CGS IS HAVING COMMUNITY OFFICE HOURS!

Are you interested in taking Critical Gender Studies (CGS) classes, but don’t know where to start? Have you been meaning to talk to an academic advisor about declaring your CGS major or minor? Do you have a class that you need to petition for CGS, but just haven’t found the time to do it? Stop by one of the Campus Community Centers to talk to a CGS academic advisor! See the CGS Community Office Hours Schedule in the green section for more details.
